LAWNAERATOR

Lawnaire

A low-priced, effective lawn aerating and renovating Attachment for the Gravely Tractor, with Gravely Hitch

Renovating your lawn areas is faster, easier with this Gravely powered aerating tool that aerates a 21 inch wide swath.

The attachment is adjustable, with depths of 1, 2, and 3 inches, set quickly by a ratchet controlled hand lever, which also raises the tool out of the ground for transporting. Spring mounted saddle seat, pneumatic tires for greater comfort.

SPECIFICATIONS

Overall width: 36 inch, aerating 21 inches.

Knives: 3 inch x 3-16 plain or notched. "specify"

Chassis: 1- 1-4 O D Tubular Steel

Hitch: Adjustable telescoping drawbar
operates from Gravely Hitch.

Penetration: 1, 2, 3 inches. Adjustable.

Clearance: 3 inches in transporting position.
